

## Porsche Fuse and Relay Location and Identification 1984 - 1985/1 944 & 1987 924s

### Central Electric Board Relay & Fuse Arrangement *(Located Under Dash Left Side Of Drivers Foot Well)*

|               |         |         |                                 |         |         |                  |         |         |                               |          |          |   |          |          |   |  |  |
|---------------|---------|---------|---------------------------------|---------|---------|------------------|---------|---------|-------------------------------|----------|----------|---|----------|----------|---|--|--|
| Relay For Fan |         |         | Relay For Fuel Pump             |         |         | Relay For Blower |         |         | Relay For Headlight Cleaners  |          |          | Warning Time Relay With Gong (USA) Catalytic Converter Monitoring Control (Japan) |          |          | Relay For Rear Window Defogger And Seat Belts |  |  |
| Plug Bridge   |         |         | Relay For Additional High Beams |         |         | Relay For Horns  |         |         | Relay For Intermittent Action |          |          | Relay For Flashing Lights   |          |          | Blank   |  |  |
| Fuse #1       | Fuse #2 | Fuse #3 | Fuse #4                         | Fuse #5 | Fuse #6 | Fuse #7          | Fuse #8 | Fuse #9 | Fuse #10                      | Fuse #11 | Fuse #12 | Fuse #13  | Fuse #14 | Fuse #15 |   |  |  |

### Central Electric Board Fuse Circuit Identification

| Number & Amps | Description           | Number & Amps | Description  | Number & Amps | Description   |
|---------------|-----------------------|---------------|--|---------------|---|
| #1 – 8a       | Low Beam, Left        | #6 – 8a       | Hazard Lights  | #11 – 8a      | Windshield Wipers   |
| #2 – 8a       | Low Beam, Right       | #7 – 8a       | Radio, Clock, Cigar Lighter, Inside Lights                       | #12 – 8a      | Instrument Lights, Glove Box Light, Ashtray Light License Plate Light |
| #3 – 8a       | High Beam, Left       | #8 – 8a       | Stop Lights  | #13 – 8a      | Marker Light, Right   |
| #4 – 8a       | High Beam, Right      | #9 – 8a       | Backup Lights, Turn Signal Indicator Lights Outside Mirror Motor | #14 – 8a      | Marker Light, Left  |
| #5 – 16a      | Additional High Beams | #10 – 16a     | Outside Mirror Heating, Control Wire For Rear Window Defogger    | #15 – 8a      | Front Fog Lamps   |

### Auxiliary Fuse Box Fuse Arrangement *(Adjacent To Central Electric Board)*

|                                   |         |         |         |         |         |         |                                   |         |
|-----------------------------------|---------|---------|---------|---------|---------|---------|-----------------------------------|---------|
| Fuse #1                           | Fuse #2 | Fuse #3 | Fuse #4 | Fuse #5 | Fuse #6 | Fuse #7 | Fuse #8                           | Fuse #9 |
| Fastener for Fuse Block goes here |         |         |         |         |         |         | Fastener for Fuse Block goes here |         |

### Auxiliary Fuse Box Circuit Identification

| Number & Amps | Description               | Number & Amps | Description               | Number & Amps | Description                    |
|---------------|---------------------------|---------------|---------------------------|---------------|--------------------------------|
| #1 – 16a      | Concealed Headlight Motor | #4 – 25a      | Rear Window Defogger      | #7 – 8a       | Rear Fog Light                 |
| #2 – 16a      | Fuel Pump                 | #5 – 16a      | Condenser Fan (For AC)    | #8 – 16a      | Power Windows                  |
| #3 – 16a      | Blower Motor              | #6 – 25a      | Compressor Evaporator Fan | #9 – 25a      | Blower, Tailgate Unlock Motor. |
